TERMS AND CONDITIONS TO DISTRIBUTION PRICE LIST

- Open-E is developing and distributing software for storage systems and provides pre-sales, after sales, PR, marketing and technical support for Open-E customers worldwide.
- These terms and conditions are part of the distributor price list provided by Open-E.

PRICES AND PAYMENT TERMS

- Prices are in Euro.
- Prices are subject to change at any time!
- Prepayment T/T or net thirty (30) days from date of shipment (if credit limit is insured by Open-E's Credit Insurance Agency).
- No Exchanges on Product and License Key: Purchased Open-E Product and License Key are non-returnable and non-refundable due to their specific identification mapping to our products. They are not transferrable once they are issued. Open-E offers a free on-line 60 day trial of Open-E DSS V6 which should cover all of your testing needs. Please take note of this when purchasing and assessing your product needs.

STOCK REPORTS

- Open-E will only grant stock rotation and price protection to those customers, who are continuously providing Open-E a monthly POS report.

STOCK ROTATION

- Customer has the right to replace Open-E products, held by customer for 60 days or less, in other Open-E products. Excluded are electronic product keys and license keys, because they are not returnable and not refundable.

PRICE PROTECTION

- In case of a price reduction, Open-E will grant customer a corresponding price reduction and account credit for any product(s) held in inventory by customer on the date of the price reduction, but excluding any inventory held by customer for longer than 60 days.

SHIPPING CHARGES

- All goods are shipped Ex Stock Puchheim/Munich, Germany.
- Other terms may apply for non-EU-countries

WARRANTY

- All software sold by Open-E are licensed "as is" without warranty of any kind. For further warranty details please read the software license agreement, carefully.
- All cables & accessories are warranted by Open-E against defect in workmanship or materials under normal use for two years after date of purchase.

RMA

- Open-E will repair or replace a product, which proves to be defective within warranty period.
- Before returning any product, please contact or call Open-E, giving date and number of original invoice, and describing defect.
- Open-E will provide every product, which is determined by Open-E to be defective, an RMA-number.
- Returned products without RMA-number will be sent back at cost of sender.

LIMITATION OF LIABILITY

- Open-E disclaims any liability for product defect claims that are due to product misuse, improper product selection or misapplication.
- Open-E's liability in all events is limited to, and shall not exceed the purchase price paid.

FORCE MAJEURE

- Open-E shall not be liable for any delay in or impairment of performance resulting in whole or in part from labour disruptions, shortages, inability to procure product, supplies or raw materials, severe weather conditions, or any other circumstances or cause beyond the control of Open-E in the conduct of its business.

MARKETING/ CO-OP FUNDS

- At the discretion of Open-E, Open-E will individually or in conjunction with customer provide MDF funds for the purpose of marketing- and sales activities.
